MEMORANDUM FOR THE RECORD

SUBJECT: Suit in the Court of Claims by General Services Administration  
Guards for Overtime

5X1A 1. [REDACTED] Physical Security Division, Office of Security, has advised that Mr. Dick Mahoney, Attorney in the Office of General Counsel for Region 3, General Services Administration, has requested that he be furnished copies of guard post orders used at 2430 E Street, N. 2. I am advised that the Office of Security has no objection to complying with the request for the guard post orders. There appear to be no legal objections to compliance with the request. As a matter of fact, to do other than effect a routine compliance might very well react adversely to our cause.

3. I understand that the essence of the guards claim is they are allegedly compelled to report early in order to put on uniforms, draw guns, etc., and that they should be paid for overtime.
